ABSOLUTE PROOF

Christians believe that Jesus Christ is God who came in the flesh to provide a way for mankind to be forgiven of their sins, to have a guide to lead us through this world on the pathway to heaven. Non-believers claim that the Bible is a book of myths and fables that have been made up through the centuries. The following information provides absolute proof of the reality of Jesus Christ and the truth of the Bible. And that information has to do with prophecy and fulfillment.

Prophecies made and then fulfilled hundreds of years later cannot be just myths or interesting stories. They have been recorded and preserved for thousands of years and serve to absolutely verify the claims that are made about Jesus Christ – that He is Divine, the Son of God, and our Savior. Following are just a few of 365 or more prophecies made about Christ which were fulfilled in exact detail. I will not take up your time in quoting all the passages, but you can certainly turn to the passage in your Bible and verify the claims.
